Here in Tracy, we are privileged to live in a protected setting. Our town is small enough so that many families are well acquainted; still, newcomers are made to feel welcome, at home, a part of the community. There are none of the pressures of big-city life here. People in stores and businesses have time to smile, to pass the time of day, and to find a high school student a part-time job. The highway runs through town, and it passes Tracy High. But except for those of us who work in restaurants and service stations, it does not affect us. 28,000 cars a day pass through Tracy, but few of their occupants see the town that the road cuts through. Soon the highway and its cars, trucks and noise, too, will bypass Tracy.

Tracy High School is unique for its situation in a community that cares about its young people. Parents and children continue to communicate despite the much-publicized "generation gap." At school, students and teachers trust and like each other. A dedicated administrative staff works tirelessly to see that our educational opportunities remain the finest; always on the lookout for new approaches, unafraid of change.

From this relatively serene and secure vantage point, we students of Tracy High School look out on a nation troubled by war and internal disorder. We see real-life violence, conflict and confrontation that has not yet touched us on the TV news. Here, in Tracy we are still removed, perhaps only one step from a trembling and chaotic world where heroes and villains trade roles from day to day. But looking around us at the simple goodness of our homes and our school, we can still find reasons to be hopeful. We can still look with sober anticipation to a better world in this brave new decade where the dream of peace is possible: Peace between nations and ideologies; peace between the races, religions, and sexes; peace between generations and peace between Americans. It is to this ideal that we dedicate this, the 1970 EL PORTAL.

"All we are saying is give peace a chance."

Introduction

SUPERINTENDENT'S MESSAGE

Each fall I receive a cordial invitation by one or more enthusiastic members of our LI Portal Staff to prepare a message for the spring publication. Since the message usually appears at the beginning of the book it is usually due in October. Each year I experience a slightly uneasy feeling much like news reporters who write stories about events which are scheduled but which have not yet actually happened. One such event which comes most vividly to my mind was the story and bold headline in a prominent mid-western newspaper reporting the election of Thomas L. Dewey as our national President.

In the preparation of this 1970 publication I am most favorably impressed with the creativity, high level of interest and genuine enthusiasm being shown by the student staff and their new faculty sponsor Miss Bonnie Klocksien, as they launch this year's work. The grade range of the students which covers all four years represented by our student body will insure good continuity as the 1971-1972 and future LI Portals are developed.

Three major questions on the fall calendar for which viable answers are being sought include: budget, flexible scheduling (otherwise known as the three + two plan) and an acceptable method of financing a second campus. Legislative activity (state and national), experts from the Field Service Center at the University of California at Berkeley and citizens groups are involved in the search for the answers to these major questions. In a united effort by diligent students to each of these problems will be developed.

James R. French
District Superintendent

PRINCIPAL'S MESSAGE

Rev. E. Grye
Principal

I wish to extend my sincere congratulations to our 1970 El Portal Staff for their outstanding effort and service in compiling the history of events which have taken place during the 1969-70 school year at Tracy High School.

As we pause to reflect upon these events, we can take great pride in our school and of the students who have helped make this year a success. I am sure that in the years ahead, each of you will enjoy looking back through these pages and reliving some of these exciting moments.

To the graduating class of 1970, I extend my best wishes for your continued success and leave you with a parting thought once expressed by the late Dr. Albert

Schwartz, the famous doctor, writer, musician and missionary. He said, "I do not know what you do for a living, but this is one thing I do know - that no one of you will ever be truly happy until he has sought and found how he may serve."

BOARD

OF

TRUSTEES

President
Dr. Ernest M. ...

Clerk
Mrs. Sheri McClellan

Mr. George Stern

Mr. Steve Amabile

Mr. Richard Alcock

Every first and third Tuesday of each month—at 7:30 P.M.—a dedicated school board convenes here at the high school—in SS-5. Anyone from the community, student or citizen, is welcome to attend most meetings and contribute pertinent comments. Official delegations occasionally speak to the board. Interested Tracy schoolers who have attended school board meetings come away with a new understanding of the issues which face the board—as well as **the steps being taken to meet problems.**

Officially, the board is concerned with making district policy—an enormous responsibility in itself which entails setting the direction in planning curriculum for the schools, the regulation of student affairs, determining the uses for our facilities, and the awesome task of preparing the yearly budget as well as keeping track of the district's money. Each year the board carefully examines the present program being implemented in the schools to determine its adequacy for the needs of the students. Possibilities for improvement in the program are under constant scrutiny. The details of staffing the schools with the best possible personnel is another continual concern of the board. Finally, any problem that comes up within the district is referred to the Board.

The El Portal staff interviewed one member of the Board to inquire what its most important concerns were this 1969-1970 school year. In that member's opinion, these were the major issues:

1. The education of the students now enrolled.
2. Plans for an election to finance school buildings here at Tracy High and on a second campus.
3. The evaluation of educational programs, particularly the innovative 3-2 scheduling.
4. The resolution of the problem of constantly rising costs with no new sources of revenue forthcoming.
5. Opening and maintaining lines of communication between students, the schools and the home.

It's a lot of work that our Board does—and we hope these pages devoted to these good public-spirited people express our appreciation of them.

The Afro-American Club is a newly established organization formed to strengthen character, foster black identity, and thereby develop competent black students. Another major goal of the club is to encourage scholastic achievement. The members have sponsored several money raising activities, such as a car wash, chicken dinner, dance, Afro-American Day in May, to provide funds for a scholarship that will aid two Black Students in obtaining a higher education.

We the people of the Afro-American Club intend to show the people of Tracy High, we are all equal. SO, look out, cause here we come.

"Right on Brothers and Sisters."

SNAPS OF MEETINGS

AMERICAN FIELD SERVICE STUDENT

Renzo Isler

"Tracy," what's that? The name of a new commercial Product? This is the question I asked myself when I first heard about it. I know now how wrong I was. In fact, it's a wonderful product of about 16,000 people, which about 2,000 were students from Tracy High, and it's these 2,000 students (my friends) I like to dedicate this part of the annual to.

In my staying here, I had the pleasure of going to San Francisco, Mexico, Disneyland, and to Lake Tahoe. These places, I will never forget. I will also remember the exciting waterpolo games, and swimming meets in which I competed, is something I will never have again. These things are all part of my staying here, things I enjoyed very much. But even though everything is finished, like a burnt candle, I will remember you all my life, and I hope you will remember me too. So, when you read these few lines, you'll think of me and the beautiful country I represent, Italy.

Mark is being introduced to Mr. Frye

Mark Alhopuro

Dear Friends!

I know that I can never thank you enough for the great hospitality I was given here by all of you. This year in Tracy High has certainly been the most interesting and also the happiest period of my life.

I want to thank all my new friends I met during my stay here, and all that made me feel at home. The family I lived with, the Howard Alcock's, was a really nice family and I am going to miss them, as I will miss all my friends, when I go back to my own homeland, Finland.

I want to thank also, all the teachers that were so very nice to me and helped me to learn the English language. Also, my very best thanks to the principal and to my counselor.

I hope I can come back one day and meet all my friends again. And I also would like to invite you all to my home

country, Finland, so I could pay at least a little bit back of the hospitality you gave me.

Like you certainly know, it is very hard to say good-by to all the friends with whom I have been with a year, but I know I will always remember you all in my heart.

Thank you once again!

The Boy's Block T is a club exclusively for boys who have competed in sports. The main qualification to join Boy's Block T is to have lettered in a varsity sport or have made three minor letters. The Block T raises morale and good sportsmanship between players and often helps those teams in need of funds. Members often contribute time to work at football and basketball games either selling refreshments or programs.

The club is a voluntary organization and there are members from all classes. Members of this group come from all sports. They are chosen from swimming, water polo, football, baseball, basketball, tennis, soccer, wrestling, track and cross country. All types of people and players become involved in this worthwhile organization.

CATERING

CLUB

CONGRESS

Left to right: President, Tim McKeown; Vice President, Katherine; Secretary, David Sonnenburg; Treasurer, David; Recording Secretary, Katherine; Publicity Secretary, David; Corresponding Secretary, David; and David Sonnenburg, Judge.

Congress is an organization made by and for the students of Tracy High School as a means to present the ideas of students. This year Congress has been successfully able to influence and change some of the administration policies, such as the program for the resumption of 3-2 days.

Although Congress is representative of the School it is possible for students not in Congress to present their ideas and thoughts. This is largely due to the change of its structure by last year's Congress. In order to make the student government more representative it has expanded from class representatives and club representatives to home room representatives and club representatives.

The purpose of Congress is to try to give each student an opportunity to participate as an influence on his school. Through each members taking part in school activities Congress builds character and prepares its members for the future. This preparation experience is the ultimate goal of Congress.

DRAMA CLUB

L-R STANDING: Mike Caporusso, Chris Kerbach, Theresa Alvarez, Doris MacKroy, Laura Brenkowitz, Bev Atkinson, Debbie Mitchell, Chalisa Momsen, Nancy Short, Besk, Vice President, Frye, Class Representative, the, Pan, Ron Kibbe, and Mr. Bisbee, Advisor

Portrait

...and purpose of the Drama Club is to see as many plays as possible, from classical to modern, and to enrich our knowledge in all facets of drama.

Some of the plays we've seen this year are "The Merchant of Venice" by Shakespeare, "The Taming of the Shrew" by Shakespeare, "The Importance of Being Earnest" by Oscar Wilde, "The Glass Menagerie" by Tennessee Williams, "A Raisin in the Sun" by Lorraine Hansberry, "The Sound of Music" by Rodgers and Hammerstein, "The Miracle Worker" by William Gibson, "The Diary of Anne Frank" by Frances Good and Albert Goodson, "The Boy Who Swam with Piranhas" by ACT.

One of the most rewarding experiences of a year is when the Drama Club's Drama Day comes. On this day, the school is filled with students who are proud to be part of the Drama Club. The students are dressed in costumes and are performing plays. The Drama Club is a great way to learn about drama and to have fun.

TARTUFFE

TARTUFFE- Bill Menezes
ELMIRA- Peg Best
DORINE- Darline Thomason
CLEANTH- Don Temple
MARIANNE- Nancy Lasiter
DAVIS- Bob Fuller
MRS. PERNELLE- Shelley Hamilton
ORCON- Tom Hildale
VAL- Bob Holmes
LOYAL- Ron Kibbe
SHERIFF- Mike Caporizzo

TARTUFFE, a beggar, is taken into a family's home from the streets. He is a religious hypocrite who convinces the father of the sincerity of his actions, although the rest of the family is aware that he is a hypocritical and mean. They finally convince the father of this fact by making him see that he is a hypocrite while Tartuffe tries to seduce his wife.

FORENSICS

Laurie Massey, Alfonso Garcia, Steve Jost, Curtis Allen; 6th row: Karen Rocca, Judy Taylor, Karen Johnson, Francine Dinsmore, Norma Paiseley, Kevin Vierra, John Zimmerman, Pat Kramer.

The Treey High Speech Team is composed of all of Mr. Poletti's special classes. His classes not only need a good instrument, but also contribute to the team effort made by Mr. Poletti's plan of teaching.

His plan is to make a good one. He speaks. Other teams in the Yavapai Division League try to do better. The goal is to represent the district speech team. Contrary to our competitors' theory, Mr. Poletti takes on the role of speaker to his students and to his. Every student must speak at least. He is not graded by Mr. Poletti but by his fellow students and speakers.

They belong to the Yosemite Chapter League, which includes schools throughout the Central Valley. Each year, tournaments are held at different schools. Here, speakers from the league schools can and give different types of speeches in competition. Events included a competition in debate, extemporaneous speaking, impromptu, original oratory, program reading, and monologues, vignettes, and oratorical interpretations. Although the tournaments are exciting and fast-paced, the league becomes a tradition at the end of the year when the best speakers compete in the state tournament.

As the old saying goes, "Good guys finish last." If this is true, then Tracy = B never have any good guys because we will never lose.

In November, the French Club went to see "Jacques Brel is alive and well and living in Paris", which played in San Francisco. This play is the work of one of France's finest songwriters. Dinner afterward was at Basque Elie's where traditional Basque dishes are served.

The big fund raising project of the year was a candy sale. The proceeds helped to pay for the club's activity in January, a progressive dinner.

The Aims and Purposes of the F.F.A.

The primary aim of the FUTURE FARMERS OF AMERICA is the development of agricultural leadership, cooperation, and citizenship. The purposes for which this organization was formed are as follows:

1. To develop competent, aggressive, rural, and agricultural leadership.
2. To create and nurture a love of country life.
3. To strengthen and widen the confidence of young adults in themselves and in their work.
4. To create more interest in the intelligent choice of farming occupations.
5. To encourage members in the of individual farming programs and establish leadership in farming.
6. To encourage members to improve the farm home and its surroundings.
7. To participate in worthy undertakings for the improvement of agriculture.
8. To develop character, train for useful citizenship, and foster patriotism.
9. To participate in cooperative effort.
10. To encourage and practice thrift.
11. To encourage improvement in scholarship.
12. To provide and encourage the development of organized rural recreational activities.

The purpose of Future Teachers is to acquaint interested students with the teaching profession. This is accomplished in two ways. The first, of course, is to take part in actual classroom situations. Here, the student can observe various aspects of teaching. The second way to become acquainted with a career in teaching is to look at the duties of a teacher outside the classroom. Different guest speakers and trips to other schools, where clinics might be held, are good sources of this information.

Karen Robertson
Sports Manager

Marlene Moniz
Assistant Sports Manager

Beth McClelland
Historian

Jan Lodge
Publicity Chairman

The purpose of Girl's Block T is to promote a greater interest in sports and to create a feeling of fellowship and good sportsmanship.

Upon earning a minimum of 300 points through participation in after school sports the candidate is initiated into Block T. Each girl must help her team out and cooperate with instructors.

Members in Block T have many activities through the year. They participate in many sports days and during the football season they decorate the goal posts. The organization also enters a car in the homecoming parade and a banquet is held at the end of the year for newly elected officers.

GIRL'S LEAGUE

Girl's League is an organization consisting of every girl at Tracy High, regardless of race, religion, creed, financial status or ability. Girls learn how to work together and are able to enjoy their responsibilities. Girl's League sponsors throughout the year, the annual Girl's Treat Dance, a fashion-show, and luncheon. Asilomar delegates are also selected to attend the annual Conference at Asilomar.

We learn by all sharing ideas and responsibilities therefore preparing ourselves for a brighter future.

The Math Club is made up of students interested in mathematics. We participate in many different activities every year. Speakers, demonstrations, and projects are all included. This year, as part of our club, a good group of clubs has been started. The students of the Math Club will be participating in the following projects and activities. The club is open to all students of the Math Club, however, and anyone who is sufficiently interested may join. Our advisor is Mr. Morgan.

Row 6- Yolanda Hernandez, Charlotte Zaragoza, Unknown, Santiago, Chella Perez, Rodarte, Row 7- Vickie Sanchez, Diane Medina, Anna Juarez, Patsy Amaya, Vickie Bonilla.

The primary purpose of this association is to help the Mexican community in the community. The secondary purpose of the association is to help Mexicans in the community.

By these two goals we are helping Mexicans help themselves. The members of the Mexican Association will strive to help the Mexican race elevate itself to a position of Prominence, Respect, and Equality in the community and the world.

We will do this by educating our children, our youth, and our adults, and by helping them physically and mentally. We will do this by helping them to become a part of the Anglo society, but are practicing what we learned at our Mothers Knees.

The Spanish Club's Purpose is to stimulate interest in the customs, traditions, and language of the Spanish people. In order to broaden cultural understanding we go on different field trips. The club is striving to raise money for a scholarship, for one of the member.

SCIENCE CLUB

The Science Club is made up of all those who are interested in science and science related subjects. We have freshman through seniors though, before they join the club they should have taken or be taking a class in science.

Through the years we have gone to a number of places, among them Berkely and Davis.

Other activities include movies and speakers. In past years we have had club members taking place in the Science Fair and members have won in the county fair and have gone on to win in the regional. Our advisor, Mr. Peterson, plans the years events with the officers.

Science Club is both interesting and enjoyable to anyone interested in science.

Editor - Sherry Bowen, Exchange Editor-Jennifer Long, Adv. Manager - Mary Ann Pereira, Commercial Artist- Mike Gonzales, Photographer-Bob Home, Mike Melton, Ray Black, Richard Likins, Bob Garwich, David Egi, Sharon Sequeira, Steve Nilssen, Lisa Johnson.

The Purpose and Aims of the SCHOLAR AND ATHLETE

The purpose of a newspaper is to report the news truthfully and without bias. Although it is hard for students to be unbiased about their school, the SCHOLAR AND ATHLETE has tried to refrain from prejudice and present the news in an interesting and informative manner.

At the beginning of this year, the SCHOLAR AND ATHLETE was finally able to begin production of a larger paper. In this Paper, we have tried to represent as many viewpoints as are found at this school, but it is not always possible. More participation by the students and faculty, through letters to the editor and suggestions for stories, would be appreciated of course in future years.

Whatever our successes and failures have been this year, we have nothing but the best of luck to future editors, advertising managers, photographers, and reporters, and maybe even to the advisors.

The SMARTeens Club was formed at Tracy High to help students understand the dangers of drugs today.

SMARTeens is an international organization with clubs at schools through the United States.

We try to make our meetings interesting by having speakers come in and talk to the students and by getting films on drugs which have not been shown at school before.

Not only do we have drug experts come in but also teenagers who had been "hooked" on drugs. These speakers are very good because they can really tell us what it's all about.

We urge all the students to come to our meetings and we assure you, you will enjoy them.

Director

The Tracy High Bulldog Band, The Pride of Tracy, was truly a winning band this year. Early last fall the band took honors at the Livermore Centennial parade, winning first place in the Sweepstakes. Next, the band took second place in A division at the University of Pacific Homecoming Parade. Another A division first place award was brought home from the Central Valley Band Review at Merced. To end the 1969 marching season in glory, the band traveled to Long Beach and participated in the All-Western Band Review, winning Fifth Place in the B division. This was a milestone in Tracy Band history being the first time a trophy was brought home from Long Beach.

Well kids, how do you feel? You're kind of in limbo now, but next year you'll be "SENIORS" and will you have learned anything? Have you grownup any from the gangly, silly little thing they call a freshman? Yes! You've learned that no matter what class comes along you can beat'em! YAY JUNIORS! (who were once freshmen and sophomores and are now embryo seniors)

SNAPS

When Sophomores were freshmen they had all the world in their arms and it, at times, was quite a burden. Now that the thrill of being in high school has worn off and they are older, they can't remember that they were ever "that dumb" and their belief is that freshmen are the lowest creatures on earth. (They are not alone in this belief either because juniors and seniors don't have very good memories either.)

SNAPS

Freshmen are young, a little scared and live in their own world which is composed of friends, football games and the opposite sex. Before these kids got into high school, they were big bad eighth graders and were ready to conquer the world (Tracy High) and prove to the incumbent sophs, juniors, and seniors that the class of "73" was the greatest class ever to hit Tracy High School. (The freshman's greatest goal is to be a "SENIOR" and be superior to all those underclassmen.

 be given.

To Jerry

Room
Bev Church
"73"

Jerry,
I hope you are really
happy - it's been
a long time since I
saw you. See you
next year.

Jerry,
So one of cool
guys that sleeps
through the classes
boring clothes
Kathleen

really
you get everything -
you want
Candy 2

all day
long

To Jerry

A nice

boy

Jerry,
So a nice
guy. Good luck
in the future.
Nancy

that has
been

nice

to

me

I sincerely
Candy

Jerry,
To a real
far-out guy with
a good personality.
Good-luck in the
future.
Dean
Cannon
73

See ya
next year.

Don't
forget to
write me
anytime
you want
to
Love,
Candy

Jerry Segeth
